

CONFORMITY RECOGNITION CERTIFICATE

FOR BODIES CERTIFYING ORGANIC PRODUCTS ORIGINATING FROM OUTSIDE QUEBEC

Conformity Recognition Number: RC-04-10

The following certification body

Naturland (Association for Organic Agriculture)
Kleinhaderrner Weg 1
82166 Gräfelfing
Germany

is managing an agricultural and food products certification system, under the approval of a competent authority in a country, state or province that has jurisdiction over agriculture, and has an ISO/IEC 17065 accreditation granted by a competent authority, as requested by the *Conseil des appellations réservées et des termes valorisants (CARTV)*.

Through this recognition, organic aquacultural food products are certified against CAN/CGSB 32.312 requirements by the above-mentioned organization and are accepted for sale in Québec.

This recognition of conformity is effective from **April 24, 2020** to **January 15, 2021**.

The validity of this certificate can be confirmed on CAEQ's website.

Issued in Montréal, Québec, Canada on May 1, 2020.
